**Thankyou**

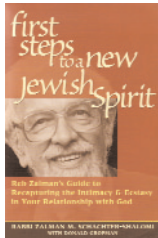

Reb Zalman & Eve Ilsen's visit to Australia has been arranged by Sh'ma Inc. With thanks to Cantor Joseph Toltz and Temple Emanuel Woollahra for making this visit possible and for the assistance of Shalom Institute, Neshamah Spirituality Centre, Meriton Apartments and Omnivision.

Reb Zalman grew up in Austria, steeped in the meditative culture of Hasidism. He was ordained as a Lubavich Rabbi in New York in 1947, founded the Spiritual Eldering Institute, and until recently, held the World Wisdom Chair at Naropa Buddhist University in Boulder Colorado, where he now lives with his wife, Eve Ilsen.

His belief in the universality of spiritual truth has led him to study with Sufi masters, Buddhist teachers, Native American elders, Catholic monks and humanistic psychologists.

A teacher of Mysticism and the Psychology of Religion at numerous US and Canadian universities, Reb Zalman is the author of over 150 books and articles on Jewish spiritual life and has translated many Hasidic and Kabbalistic texts into English.

*"Full of wisdom and insight! Here is a lovingly guided tour of Jewish life and practice that shines with wisdom, wit, and deep relevance for all of us who yearn for lives flowing with passion and purpose."*

Rabbi Marcia Prager, author, *The Path of Blessing: Experiencing the Energy and Abundance of the Divine*

*"Jewish with Feeling is the most important statement yet by one of the few contemporary figures who truly has a vision of how the world should work."*

Rabbi Joseph Telushkin, author of *Jewish Literacy and The Book of Jewish Values*

*"Not only can it prepare the young and middle-aged adult for the role of sage and mentor, but, just as important, it can improve their current quality of life."*

*A once only, 'not to be missed' opportunity to engage in teaching and prayer with one of the most important Jewish thinkers of the 2nd half of the 20th Century, a wise and holy man, who has woven a path from the Hasidism of Europe to the leading-edge philosophers of our time. The pioneering founder of Jewish Renewal brings us a Judaism of the heart as well as of the mind.*
